CFI is a group of middle-market investment banks and corporate finance advisory boutiques specializing in cross-border acquisitions, divestitures, capital raising, and related services all over the world.

CFI focuses exclusively on middle market transactions, with deal sizes ranging from EUR 20 million to EUR 500 million.

Founded in 2006 to deliver best-in-class cross-border M&A services to the middle-market, CFI delivers more than a decade of international collaboration among its members, including the successful delivery of over 400 cross-border deals with an aggregate EUR 21+ billion of deal value.

Twice a year, CFI welcomes entrepreneurs and investors to connect with the CFI advisors for specific and general discussions regarding worldwide cross-border M&A opportunities and trends.
